Governors' Action Plan
Implementation and Integration Workshop
Resilience Working Group Meeting (Tuesday)
Joint Restoration / Resilience Meeting (Wednesday)
St. Petersburg, Florida
July 10-11, 2006

~ OBJECTIVES ~

- GOMA leadership delivers a clear charge to the new working group.
- Working group learns about the progress being made by the Alliance across the priority issue areas, including in-depth coverage of the resilience-related actions in the Governor's Action Plan.
- Working group discusses how they will operate, and identifies a state lead.
- Working group and Regional Restoration Coordination Team dialog about connections between R-1 and R-2 actions, and discuss how the Team and Working Group can continue to interact and coordinate.
